# MortgagePlus Over Extended Family

## SUMMARY DESCRIPTION

MortgagePlus is the industry's leading real estate property list. It is regarded as the definitive source for all of the insightful financial data you need to target ideal homeowner prospects. The Over Extended Family file contains a daily updated number of prospects containing over 2 million US households and it contains 60 and 90 Day Late Payments. This file is the perfect source for mortgage, financial, and realty related offers to homeowners who need help to fix their financial situation.

## LIST SOURCE

Credit database, court records, title companies and tax records
